Review: One version of a famous proverb goes like this: It is better to light one candle than to curse the darkness—but it feels better to curse the darkness. Many polemical books have been written, especially since 9/11, that curse the darkness. By giving distorted portrayals of everyday Muslims and their pious culture, they actually add to the darkness....

Cross the The Eyes Arab from Christian Insights Navigators Crescent of through an The Reference Library the This is the 3rd book I read by Kianna Alexander. It's somewhat OK but for me the Fluenz program was much better. I felt really good about how the main character evolved through the third book. but is now a creature even dragons may fear. I would stack this right next to "Supervillian". Populace provides a mix of Orwells Animal Farm, Aldous Huxleys Brave New World and a story that reminds me in some ways of the Count of Monte Cristo. I would try to finish the book with only a few pages left, but put it down over boredom and frustration. 456.676.232 Just when Buck finally finds a master who he dearly loves and is loved, he hears a call, the 'call of the wild'. What should have been one of the best days of her life is actually the opposite. Can't wait for the next book. Her voice is hilarious, and I normally dont much like first person. With her Deputy Chief still recovering from an attempt on his life, the detachment is short-handed. the story line and plot was good but there was not enough details.
